Extract of Article 135 from the Bombay Forest Manual Volume II.

••••••••••••••••

135 . Land cannot be disforested without Govt. sanction . (i) No land which has been finally constituted reserved forest under sec. 19 or sec. 34 of the Forest Act of 1878 or sec. 20 of the Forest Act of 1927 should be given in occupancy , or otherwise disposed of , without pr previous sanction of Govt. The case of waste lands which have been notified as proposed reserved forests under section 4 or as protected forests ( but see the next paragraph) rests on a different footing . Instances may occasionally occur when assessed waste lands belonging to either or both the above categories may advantageously be exchanged for occupied lands which fall within the proposed forest boundaries , or one more suitable for forest purposes , and where the delay incidental to obtaining previous sanction may result in the failure of the negotiations. Whenever prompt action is necessary in such cases , Forest Settlement and Demarcation Officers may be authorised to effect exchanges at their discretion , with the concurrence of the D.F.O., without previous sanction of Government . The authority hereby given does not extend , however, to the utilization , for exchange purposes without previous saantion of any unassessed areas included in forests.

(R .6429of 6-9-1893)

(ii) The previous sanction of Government should be obtained in all cases of disposal of lands forming part of protected forests as in the case of ~~on the~~ reserved forest.

No. LND.II.SR.VIII.1511 Karwar, 10-11-1966.

Sir,

Subject:- F.S.Nos. 1 to 7 and 9 of Hosalli Taluka Yellapur - Disposal of...

In submitting herewith the papers of the case received under Yellapur Tahsildar's No. FOR/SR-946 dated 12-10-1966, I have to report as under:-

This case relates to the disposal of F.S.Nos.1 to 7 and 9 of Hosalli village, Taluka Yellapur for cultivation. These S.Nos. were notified by the Forest Department according to the orders contained in the Ex-Bombay Govt. Resolution No. FDM-1054 dated 28-1-1955. The D.F.O. and the Conservator of Forests have also no objection to disforest the S.Nos. as they have already been notified.

There is demand for the land from many applicants as shown in the Tahsildar's No. FOR-SR-946 dated 19-12-1965. The Tahsildar also reports that the total area of these S.Nos. forms a compact block of more than 50 acres. It therefore appears feasible to disforest the area first and then to take up its disposal as per land grant rules.

In these circumstances, Government may kindly be moved to disforest the above S.Nos. and to return these papers for taking further action in the matter.
